Manchester CoderDojo is a volunteer-led community group for young people learning to code and make things. It is hosted by SharpFutures monthly at The Sharp Project.

As part of this year's Design Manchester Festival, Manchester CoderDojo #26 takes place on Sunday 18 October.

In addition to the regular coding sessions with Python, Scratch, Minetest and Raspberry PI there will be design-focussed workshops taking place in the breakout spaces at The Sharp Project.

Please note that due to the popularity of Manchester CoderDojo tickets are very limited.

If you would like to attend please email events@thesharpproject.co.uk
