A celebration of print & paper from G.F Smith & The Manchester Print Fair.

Following on from last years successful print fair this year we have extended the event over the full weekend and partnered with paper maker G.F Smith to host a full schedule of free workshops from screen printing, letter pressing, badge making and a special Origami project.

The Manchester Print Fair is a regular independent art & design event that celebrates all manner of printed design, from artist's books and zines to posters and postcards and t-shirts and tea towels.

The print festival will feature all over 50 stalls selling affordable artwork and G.F Smith will be hosting 5 free workshops from some of the leading makers across the city.
